SNEAK PEEK! JGTC/D1 TEASER, HIN CLEVELAND & FORMULA DRIFT

JGTC & D1 TEAM UP FOR ONE MEMORABLE EVENT

A DRIFT BATTLE FOR THE AGES

We all enjoy seeing what's hot, and we all want it now. Here's a first look at the JGTC/D1 event held December 18-19, 2004. We just got back from the first ever JGTC event held at the California Speedway in Fontana, California, and all we can say is

that it was off the hook. JGTC teamed up with the guys from D1 Grand Prix, and together they put on one of the best overall events we've seen in some time. The crowds came out in record numbers, and the lines were as long as the eye could see.

Each and every one of drivers put on a show for us to remember, and we marvel at all the action. This was a great experience for everyone in attendance, and we'd like to share with you some up close and personal shots of some of

the best drivers in the world. Just remember where you saw it first and enjoy these incredible shots; they will blow you right out of your seat, just like the drivers did to us on this memorable weekend! Check it out. **RGI**

IS THIS WIDE ENOUGH FOR YOU?
